DON'T MISS ANY MORE ENTRY DEADLINES!

**For international and national shows,
we currently record show dates from up to
24 European countries in our system.**

For club shows, we feature the shows
registered with us for breeds from all FCI
groups and are continuously expanding this
offer.

YOUR ADVANTAGES AS A REGISTERED USER

You decide which breeds you want to be informed about - and we will keep you up to date with all the information about the shows!

We send you reminders for the entry deadlines and use clever filter functions to help you find the shows that are important to you.

You can record results and see which shows are suitable for achieving the desired titles.

You no longer have to work your way through various show organizer websites - we provide you with a central system for your show planning!
